## RGM NO. 4

# GEOLOGIC MAP OF THE LAKE TAHOE BASIN, CALIFORNIA AND NEVADA, 1:100,000 SCALE

Compiled by  
George J. Saucedo

Digitized by  
Jason D. Little, Sarah E. Watkins, Jennifer R. Davis,  
Marina T. Mascorro, Victoria D. Walker, and Eric W. Ford

The Geologic Map of the Lake Tahoe Basin, California and Nevada is the fourth map completed as part of the California Geological Survey's 1:100,000 scale Regional Geologic Map Series. The map was compiled and digitized from existing published and unpublished geologic maps covering the area between latitudes 38° 37' 30" and 39° 22' 30" north and 119° 52' 30" and 120° 15' 00" west longitude. The geologic map is superimposed on a shaded-relief image, which depicts the bathymetry of the lake bottom as well as the topography of the basin uplands. A pamphlet containing a geologic summary, description and correlation of map units, sources of mapping, and references is also included.

Price.....\$20.00

Shipping/handling.....\$4.00
